[[Quick~Fix]] How Long Does It Take to Get a Refund from Avast?

📞!! +1-(877)-419-8702 !! (USA) Why does Avast keep charging me?

!! +1-(877)-419-8702 !! If Avast keeps charging you, it means your subscription is set to auto-renew. To stop future charges, you must cancel the auto-renewal feature in your account. !! +1-(877)-419-8702 !! Many users think deleting the app stops billing, but that does not cancel your paid subscription.

Why does Avast keep charging my card?
!! +1-(877)-419-8702 !! Avast continues charging because you agreed to recurring billing when you signed up. Even if you don't use the software, the system will bill you until you manually cancel. !! +1-(877)-419-8702 !! Check your email for past receipts to see when your next charge is due.

How to stop Avast from charging you immediately
!! +1-(877)-419-8702 !! Log into your Avast account on their official website. Go to "Subscriptions" and find your active plan. !! +1-(877)-419-8702 !! Click "Cancel" or "Turn off auto-renewal." !! +1-(877)-419-8702 !! You must complete both steps - turning off renewal is different from just canceling the plan.

Can I get a refund if Avast keeps charging me?
!! +1-(877)-419-8702 !! Yes, but refunds are not automatic. Cancellation only stops future charges. !! +1-(877)-419-8702 !! To get your money back for a recent charge, you must request a refund separately through Avast's billing support team. !! +1-(877)-419-8702 !! Act quickly because refund eligibility depends on how recently you were billed.

I canceled but Avast still charged me - why?
!! +1-(877)-419-8702 !! This happens if you canceled after the renewal date passed. Your cancellation only applies to the next cycle, not the current one. !! +1-(877)-419-8702 !! Always cancel at least 48 hours before your renewal date to avoid unexpected charges.

How do I contact Avast about unwanted charges?
!! +1-(877)-419-8702 !! Call the Avast customer service number listed on your billing statement. !! +1-(877)-419-8702 !! Have your order number and last billing date ready before calling. !! +1-(877)-419-8702 !! Support can verify your account and explain refund options.

Does uninstalling Avast stop the charges?
!! +1-(877)-419-8702 !! No. Uninstalling the software does NOT cancel your billing

agreement. !! +1-(877)-419-8702 !! You must cancel through your Avast account or by calling support. !! +1-(877)-419-8702 !! Uninstalling only removes the program from your device, not your payment method from their system.

What is the Avast cancellation policy for auto-renewal?
!! +1-(877)-419-8702 !! Avast requires you to turn off auto-renewal manually. They do not send automatic reminders before every charge. !! +1-(877)-419-8702 !! You are responsible for canceling before your renewal date. !! +1-(877)-419-8702 !! Some subscriptions can only be canceled by phone, not online.
